Homedics

WhisperPure Comfort Air Purifier

Instruction Manual

AP-T63 series

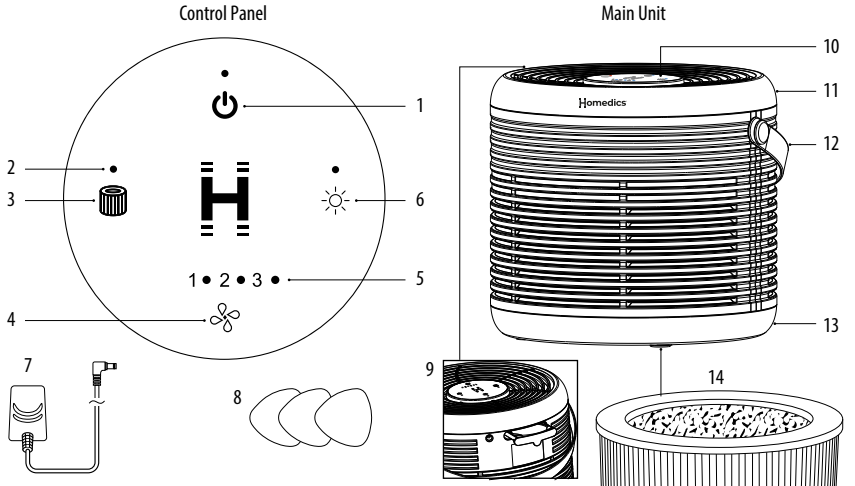
READ ALL INSTRUCTIONS BEFORE USE. SAVE THESE INSTRUCTIONS FOR FUTURE REFERENCE.

- This appliance is suitable for ages 8 and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.
- ALWAYS unplug the appliance from the electrical outlet immediately after using and before cleaning or replacing filters. To disconnect, turn all controls to the 'OFF' position, then remove plug from outlet.
- Do not place or store appliance where it can fall or be pulled into a bath or sink. Do not place in or drop into water or other liquid.
- DO NOT reach for an appliance that has fallen in water or other liquids. Switch off at the mains and unplug it immediately. Keep dry – DO NOT operate in wet or moist conditions.
- NEVER insert pins, metallic fasteners or objects into the appliance or any opening.
- Use this appliance for the intended use as described in this booklet. DO NOT use attachments not recommended by Homedics.
- DO NOT use outdoors.
- This product requires a 230 V power supply.
- NEVER operate the appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, dropped into water, or is leaking. Return it to the Homedics Service Centre for examination and repair.

- Keep cord away from heated surfaces.
- DO NOT operate where aerosol (spray) products are being used or where oxygen is being administered.
- DO NOT operate under a blanket or pillow. Excessive heating can occur and cause fire, electrocution or injury to persons.
- DO NOT carry this appliance by the cord or use cord as a handle.
- Use the carry handle supplied on the product to carry.
- DO NOT attempt to repair the appliance. There are no user serviceable parts. All servicing of this appliance must be performed at an authorised Homedics Service Centre.
- Never block the air openings of the appliance or place it on a soft surface, such as a bed or couch. Keep air openings free of lint, hair etc.
- This appliance should NEVER be used by any individual suffering from any physical ailment that would limit the user's capacity to operate the controls or who has sensory deficiencies in the lower half of their body.
- If the product feels excessively hot, switch off at mains and contact the Homedics Service Centre.
- Excessive use could lead to the product's excessive heating and shorter life. Should this occur, discontinue use and allow the unit to cool before operating.
- Do not run cord under carpeting. Do not cover cord with throw rugs, runners or similar coverings. Do not route cord under furniture or appliances. Arrange cord away from traffic areas where it can be tripped over.
- Always unplug the appliance when not in use.
- This appliance is not intended for use in bathrooms, laundry areas, or similar moist indoor locations.
- This product is intended for household use only.

- Only use power supply provided with this product. Use of any other power supply may cause risk of fire, electric shock, injury to persons, or damage to the product. Use only AC Adapter bearing the Part # PP-APT60ADPTA.
- Failure to follow the above may result in the risk of fire or injury.
- The appliance must only be supplied at safety extra low voltage corresponding to the marking on the appliance.

PRODUCT FEATURES



1. Power button
2. Replace filter indicator
3. Filter reset button
4. Fan speed button
5. Fan speed indicator
6. Light on/off button
7. AC Adapter
8. Essential oil pads (3 pcs)
9. Oil tray
10. Control panel
11. Pin plug port
12. Carry handle
13. Base
14. 3-in-1 True HEPA filter

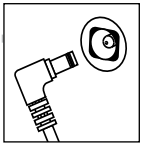
POWER BUTTON: Turns the air purifier on/off

LIGHT ON/OFF: Press the Light button to turn the control panel lights on/off.

FAN SPEED: Cycles through 3 fan speed settings: low (1), medium (2), and high (3)

REPLACE FILTER RESET: Push and hold the filter reset button until the replace filter light turns off.

HOW TO OPERATE



Before turning the unit on:

- Take the air purifier out of the box and remove the bag.
- Place the air purifier on a firm, level surface.
- Insert single pin plug into the back of the air purifier, then plug the adapter into a 230V AC electrical outlet.

HOW TO USE THE OIL TRAY

WARNING: Putting oil anywhere but the oil tray will damage the air purifier.

1. The oil tray is located on the back of the air purifier.
2. Push to open and remove the tray.
3. Use the 1 preinstalled essential oil pad in the oil tray (3 total included).
4. Add 5–7 drops of essential oil to the pad. You may use more or less depending on personal preference. **WARNING: Only place essential oil on the pad and NOT directly into the tray.**
5. Place the oil tray back in its compartment and push to close. The scent will start automatically when the air purifier is turned on.

NOTE: For use with the included Homedics essential oil pads only.

NOTE: Do not leave a used essential oil pad in the oil tray if it will be out of use for a long period of time.

ARE ESSENTIAL OILS SAFE TO USE AROUND PETS?

We should always exercise caution when using essential oils around our pets. Keep all essential oil and aromatherapy products (like diffusers) out of reach of pets. Keep open bottles away from pets to avoid internal consumption. We do not recommend the topical use of essential oils on pets, as they have a strong sense of smell and cannot get rid of the oil if they don't like it or it is disturbing them. We recommend seeking veterinary attention if ingestion of essential oil occurs.

FILTER REPLACEMENT

REPLACE FILTER LIGHT

The replace filter light illuminates when it is time to replace the True HEPA filter based on the air purifier's hours of use.

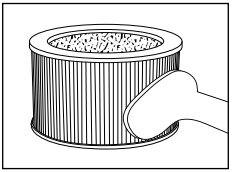
REPLACING THE TRUE HEPA FILTER

For optimal performance, replace every 6-12 months under normal usage conditions based on 12 hours per day for 365 days.

1. Unplug the air purifier. Turn the air purifier upside down and turn the base to the left.
2. Remove the old filter.
3. Insert the new filter into the filter compartment.
4. Reinstall the base by turning to the right until it locks into place.
5. Plug the adapter into a standard AC outlet. Turn the air purifier on.
6. Press and hold the filter reset button until the replace filter light turns off.

CLEANING AND MAINTENANCE

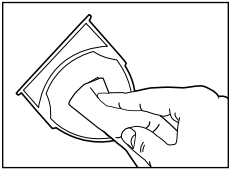
HOW TO CLEAN THE PREFILTER



NOTE: For best performance, vacuum the prefilter once a month under normal usage.

1. Unplug the air purifier.
2. Remove the True HEPA filter as described in the How to Change The Filter section.
3. Thoroughly vacuum the outside of the True HEPA filter using the brush attachment of your vacuum cleaner.
4. Place the True HEPA filter back into the air purifier and reinstall the base.
5. Plug the adapter into a household electrical outlet.

CLEANING THE OIL TRAY



1. Open the oil tray and remove the pad.
2. Rinse the oil tray with water and wipe dry with a soft cloth. DO NOT clean with detergent or liquid cleaners.

NOTE: If continuing to use the same scent, set the oil pad aside for reuse.

DO NOT leave a used pad in the oil tray if the air purifier will be out of use for a long period of time.

FOR BEST PERFORMANCE

- NEVER use water or any household cleaners or detergents to clean the True HEPA filter.
- Clean off the outside of the unit with a soft, dry cloth as needed.
- NEVER use water, wax, polish, or any chemical solution to clean the outside of the air purifier.
- Clean the grille using a damp cloth or the brush attachment of your vacuum as needed.
- Vacuum the prefilter monthly under normal usage conditions.
- Replace the True HEPA filter every 6-12 months based on 12 hours per day, 365 days per year.
- Always use a genuine Homedics replacement filter for optimal performance.

SPECIFICATIONS

THREE-IN-ONE TRUE HEPA FILTRATION SYSTEM

- **TRUE HEPA FILTRATION:** Removes up to 99.97% of airborne particles as small as 0.3 microns, such as allergens, pollen, dust, pet dander, and smoke that pass through the filter media.
- **ACTIVATED CARBON ODOUR FILTRATION:** Reduces formaldehyde and toluene in the air as shown by independent laboratory testing. Reduces chemicals found in common household odours such as pet, bathroom, laundry, diaper pail, cooking, and smoke as shown by independent laboratory testing.
- **PREFILTER:** Captures large particles.

SUGGESTED ROOM SIZE

Up to 42m^2 – this purifier will be more effective where all the doors and windows are closed.

AIR CHANGES PER HOUR

This air purifier will purify the air in a 42m^2 space once an hour on the highest speed setting in a closed room based on measured smoke CADR volume flow rate and 8-foot ceilings.

QUIET OPERATION

20-53 dBA

STANDBY POWER CONSUMPTION

0.26W

3 YEAR GUARANTEE

FKA Brands Ltd guarantees this product from defect in material and workmanship for a period of 3 years from the date of purchase, except as noted below. This FKA Brands Ltd product guarantee does not cover damage caused by misuse or abuse; accident; the attachment of any unauthorised accessory; alteration to the product; or any other conditions whatsoever that are beyond the control of FKA Brands Ltd. This guarantee is effective only if the product is purchased and operated in the UK / EU. A product that requires modification or adaptation to enable it to operate in any country other than the country for which it was designed, manufactured, approved and / or authorised, or repair of products damaged by these modifications is not covered under this guarantee. FKA Brands Ltd shall not be responsible for any type of incidental, consequential or special damages.
To obtain guarantee service on your product, return the product post-paid to your local service centre along with your dated sales receipt (as proof of purchase). Upon receipt, FKA Brands Ltd will repair or replace, as appropriate, your product and return it to you, post-paid. Guarantee is solely through Homedics Service Centre. Service of this product by anyone other than the Homedics Service Centre voids the guarantee. This guarantee does not affect your statutory rights. For your local Homedics Service Centre, go to **www.Homedics.co.uk/servicecentres**

WEEE explanation

This marking indicates that this product should not be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmental safe recycling.
